International Association of  
Administrative Professionals®  
Will Rogers Chapter

*September – 2009*

*Dear Potential IAAP Member:*

*I began my journey with the Will Rogers Chapter of the International Association of Administrative Professionals in 2001. I was working with The Bama Companies as an assistant in the Engineering Department and a co-worker introduced me to IAAP. Over the years, I have served the Chapter and Division in several positions but, the Chapter has served me even more.*

*My company was awarded the IAAP Award for Excellence in 2004 and I attained my Certified Professional Secretary "CPS" rating in 2006 and was amazed at the doors it opened in my career. IAAP has offered the education and leadership skills that have propelled me to the respected position of Corporate Executive Assistant at Bama and led me into the position of President for the Will Rogers Chapter. Looking back, it has been a wild ride with many rewards.*

*I would invite you to begin a journey that will change your outlook, your opportunity and your career.*

*Sincerely,*

*Terrie Scott CPS, CWCA  
2009-2010 President  
Will Rogers Chapter, IAAP
